 Mattress length: 195 cm

ACCESSORIES

- Joining cross-beam
- NEW Armetal bayonets with through-hole

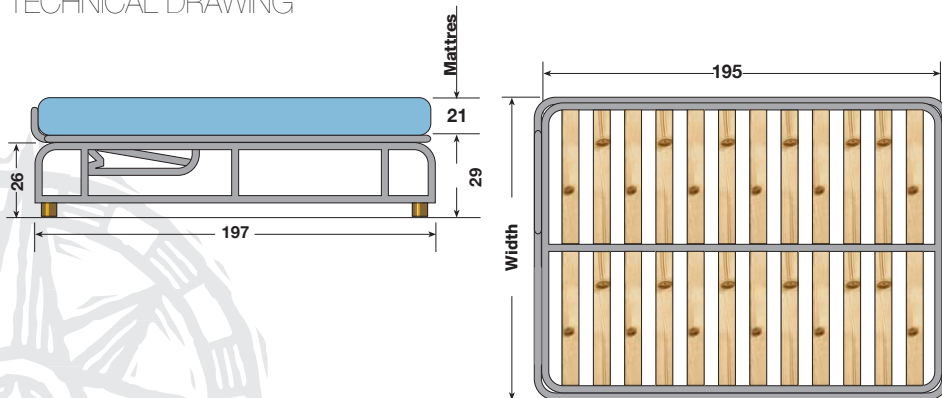

MATTRESS MODELS

Tifone 195 polyurethane mattress: D. 30, 21 cm high, cover in quilted Jaquard fabric

TECHNICAL DRAWING

Orthopaedic bed with box in which the sleep surface can be lifted to make a compartment located under the frame available, where cushions and blankets can be placed.

This movement is allowed by a pair of gas pistons

The frame consists of highly-resistant tubular steel and it is painted with oven-dried epoxy powder.

The sleep surface is an orthopaedic one with curved wooden slats. The box can be fully removed for easy transport.
